

THE GOAL MODEL

Take Initiative and Empower Your Career

Growth

What it Means:

Consider where you want to grow and how it aligns with organizational goals.

Ask Yourself:

- What skills do I want to develop?
- What future trends can I prepare for?

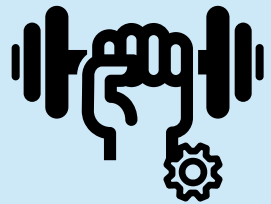

Opportunity

What it Means:

Identify opportunities to create value and make improvements.

Ask Yourself:

- What problems can I solve?
- What opportunities can I leverage?

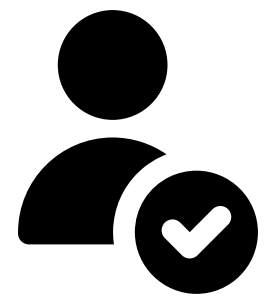

Accountability

What it Means:

Take ownership and follow through on your actions.

Ask Yourself:

- How will I track my progress?
- Who can support me?

Leaning In

What it Means:

Confidently embrace challenges and responsibilities instead of waiting.

Ask Yourself:

- What is stopping me from starting?
- What steps can I take now?
