

# PRIDALRM

## THE TALENT LIFECYCLE

**CHCI's PRIDALRM™ model outlines the eight essential stages of the talent life cycle—Planning, Recruitment, Inspiration, Development, Assignment, Leadership, Retention, and Measurement. This framework helps organizations build, manage, and sustain a high-performing workforce by aligning talent strategies with mission-driven goals.**

### WHY PRIDALRM MATTERS

By applying the PRIDALRM™ model, organizations can proactively address workforce challenges, enhance employee engagement, and drive sustainable performance. It's more than a framework—it's a roadmap to building a thriving, mission-aligned team.
